

The Cedar Portfolio

The Cedar Portfolio Investment Strategy

*The New Investment Paradigm:
Helping Society and the Environment, and
Targeting Outperforming Portfolio Returns*

October 2024

The Cedar Portfolio

A value-investing equities portfolio of great businesses from around the world, helping society and the environment, and targeting outperforming portfolio returns.

The businesses in the portfolio are emphasizing the following ESG and Sustainable Development Goals:

- *Agricultural Productivity and Sustainable Food Production*
- *Water Quality Improvement*
- *Clean, Efficient and Abundant Energy*
- *Renewable Energy*
- *Carbon Emissions Reduction*
- *Innovation and Economic Growth*
- *Industry and Infrastructure Improvement*
- *Social Development*
- *Corporate and Organizational Enhancement*
- *Pollution Cleanup and Environment Health*
- *Scientific and Technological Development*
- *Natural and Healthful Food and Ingredients*
- *Screening – No Tobacco; No Weapons Manufacture; Yes Humane Working Conditions; Yes Social Justice*

What are the Cedar Portfolio characteristics?

- ❑ *Only equities of great businesses from around the world – over 50 businesses currently*
